PROFESSIONAL EXPERIENCE

Select Specialty Hospital, Gainesville, FL May 2025 – Present

Certified Nursing Assistant

- Monitor vital signs, blood glucose levels, and patient intake; ensure correct placement of telemetry leads to monitor heart rates, perform calorie counts, verify diet textures (honey/nectar thick) to ensure safe feeding practices.
- Assist with mobility, repositioning, and activities of daily living; manage colostomy bags, catheters, and support nurses with wound care.
- Communicate with interdisciplinary teams to coordinate individualized care plans while maintaining a safe environment in compliance with hospital protocols.

UF Health Shands Hospital, Gainesville, FL Aug 2024 - May 2025

Department of Patient Experience Volunteer

- Welcomed newly admitted patients and their families within 24 hours of their admission into the Hospital by orienting them to their room including teaching them how to use their call button, remote, and TV. Provided a welcome kit consisting of toilet trees and self-care items, demonstrating empathetic patient connection.
- Engaged in meaningful conversations ensuring patients and their families were comfortable and reported patient experience concerns to supervisors for follow up.

UF Health Shands Hospital, Gainesville, FL Jan 2023 - May 2023

Electrocardiogram Technician (EKG) Intern

- Performed and analyzed a multitude of diagnostic exams to assist in the identification, monitoring, and assessment of cardiovascular conditions by applying critical thinking and technical proficiency to interpret results.
- Proficient in EKG machine operation and performance, patient preparation, accurately recognizing abnormal rhythms and communicating these results to providers, contributing to informed clinical decision-making.

LEADERSHIP & EXTRACURRICULAR

Leadership Development Captain Dance Marathon **Aug 2024 - Present**

- Responsible for mentoring and encouraging a group of 15 fellow students called Emerging Leaders helping build their leadership potential while working together to support the local Children's Miracle Network Hospital (CMN), UF Health Shands Children's Hospital.
- Establish leadership skills through workshops, building relationships with the Emerging Leaders to help guide their journey through the Dance Marathon community and aid in achieving both their personal and fundraising goals towards pediatric life-saving equipment and research.
